BEER IS OUR PASSION

Dan & Joe (Brothers-in law) had a dream. The wanted to open a craft brewery in Cincinnati. After years of researching breweries around the country, their journey began when they found a cool spot in Old Milford. Both Dan & Joe had been self-employed running their own businesses for a combined 50 years. They had a lifelong friend who excelled as Brewmaster, Jim, who has been brewing award winning craft beers for over 30 years. Jim was a pioneer in the early Cincinnati craft beer scene in the 1990s.

After brewing in Colorado & Arizona, Jim is happy to be back in his hometown. Dan & Joe wanted to create a brewery that would bring the nearby communities together in a place with a cool vibe! The result is a family friendly taproom that is warm and inviting with beautiful views of the river.

Our guests come here for the delicious small batch craft beer, the brick oven pizza, and the overall vibe that make Little Miami Brewing Company great! It's usually crowded; we thank you in advance for your patience.
